DEDICATION

This year's report is dedicated to John A. Ricker, Jr. who recently resigned from the Board of Selectmen after eleven years of dedicated service to the town, nine years as Chairman of the Board.

John's ties to this peninsula began early. Older baseball fans remember him as the gravel-voiced star pitcher of our Twilight League back in the 30's. He was graduated from Bowdoin College with an A.B. degree and received his Masters in Education from Boston University. He continued his education at Harvard and Ohio State. He taught Latin, English, History and Public Speaking at high schools in Maine and Mass. and after "retirement" to The Spruces in Port Clyde in the 60's served as a math instructor at Rockland High. During WW 2 he was Communications Officer and Officer of Deck instructor for the U.S. Navy and instructor of officer candidates at Tufts. He was also Administrator and State Coordinator of Veterans School at Medford, Mass. Later, he was Program Administrator and instructor of NROTC at Tufts.

Always an ardent sports enthusiast, in addition to his regular teaching duties he coached baseball, football, basketball and track at various schools which included Skowhegan, Lexington, Medford, B.U. and Tufts. Last year he was honored with a special award in appreciation of his coaching expertise by Tufts alumni. Many alumni were his former athletic proteges.

Locally, he has been Commander and Adjutant of the American Legion and active in Port Clyde Arts & Crafts and local variety shows. John and his wife Adelaide have two children, Patricia and Peter.

TOWN MANAGER'S REPORT

To the Selectmen and Citizens of St. George:

I would like to present this my twelfth Annual Report.

At the closing of the books on December 31, 1979, the total amount of 1979 taxes collected was \$530,161.76 or 89% of the Commitment and \$65,357.79 in Excise Tax. During the year the office handled \$1,200,000.

The Tennis Courts are being used by many more of our citizens. This year the group has started a Tennis Fund in care of the Town Office.

During the past year we replaced part of the fence at the Ball Field with a new chain link fence, and next year we will complete it.

The new Fire Pumper arrived in Town July First. It is a nice piece of equipment.

The repairing of the road at Drift Inn Beach and the Marshall Point Road, plus the Town Landings at both Tenants Harbor and Port Clyde were damaged more than expected, so the cost was greater.

The Fire Department had to raise the building at Port Clyde Station and install a new door. They also had to build a new chimney at the station at Tenants Harbor.

We are asking for bids on a new furnace at the Tenants Harbor Station. It also heats the Town Office. The furnace is fifteen to twenty years old and since it was installed the size of the fire station was enlarged and the heat to the office was added, so the furnace is carrying an overload of heating space.

As of December 31, 1979, due to Federal regulations, we can no longer burn at the dump. We will have to cover as necessary. This will increase the cost of operation.

We have received our Tax Rating from the Bureau of Taxation and are very pleased. The ratings are as follows:

Overall Ratios		Land Ratios	Land & Building Ratios
Weighted Average	95	95	95
Average Ratio	98	98	97
Average Deviation	11	9	13
Quality Rating	11	9	13

During the year there were recorded 139 property transfers. There were 8 clearing title, 47 family transfers, 30 land splits, 54 whole sales and 2 right of ways.

We also issued Building Permits for 22 new residences, 18 remodeling and 10 garages with a total estimate of \$1,066,700.

I would like at this time to thank June Smith for her valuable assistance.

We have felt a great loss in the resignation of John A. Ricker, Jr., due to ill health. John was a dedicated Town Official.

I would like to thank Marjorie Cook and A. Kempster Hawkins for their assistance during the year.

Sincerely,
G. DEWEY THAYER

REPORT OF FIRE DEPARTMENT

To the Selectmen, Residents and Taxpayers of the Town of St. George, I submit the following report for the Fire Department for the year ending December 31, 1979:

The Department responded to a total of 39 calls:

Chimney	10
Dump	4
Car	2
Building	3
Grass & Woods	3
Boat	1
Pumping Cellars	3
Pumping Boats	3
False Alarms	4
Misc.	6

I wish to report that this year, we have purchased, and now have in service, a new 1,000 gallon, Continental Pumper.

I would like to thank the excellent response of all Volunteer Firemen and the Fireflies for all they have contributed during this year. Also, I wish to thank Mrs. June Smith for taking care of the Red Phone along with her many other duties.

Your continued support of the Fire Department is greatly appreciated.

Respectfully submitted,
WAYNE E. HILT
Fire Chief (1979)

REPORT OF THE PLUMBING INSPECTOR

To the Taxpayers of St. George:

Because of new guidelines handed down by the State Plumbing Code the size of septic drainage fields has been lower to some extent. If you have a soil report prior to May 1, 1978, and have not yet installed your field, please contact me for information on this.

Again it is important to stress the use of low use water fixtures when possible. It will help you conserve on your water and electricity.

Thank you for your cooperation throughout the year. If I may be of any service to you call anytime, 372-6316.

Respectfully submitted,
WILLIAM F. ILIFFE, Sr.
L.P.I.

ST. GEORGE VOLUNTEER FIREMEN'S AMBULANCE ASSOCIATION

To the Residents and Taxpayers of St. George:

First we want to thank all the people who have donated towards our FUND DRIVE for the St. George Firemen's Association Ambulance Fund. Also, I would like to thank the attendants and drivers for their readiness and their concern for the injured and the ill.

In 1979 we had 104 ambulance calls and each year there is an increase in the amount of calls.

As of this date we have fifteen National Registry Emergency Medical Technicians at a cost of \$1,275. These E.M.T.'s gave 110 hours of their free time to arrive at this level of training.

We also have four State of Maine Ambulance Attendants who have taken Emergency Care and First Aid, C.P.R., Oxygen, Extrication and vehicle handling.

As everyone knows, the cost of operating expenses has increased tremendously in the past few years. Our insurance alone is \$1,000. a year.

As in the past years, our time is given with no cost to the Association Ambulance Fund.

We are always in need of new attendants who would be willing to donate their time to the injured and the ill.

It would take at least 60 hours of your time to become a State Attendant. Please feel free to contact any attendant for more information.

We are always open for suggestions or comments so that we may better serve our Town.

R.A. PAULSEN
President

REPORT OF THE ST. GEORGE PLANNING BOARD

The Planning Board has completed another productive year with members who have the time and energies to become involved.

We are presently preparing any amendments to the town's Shoreland Zoning Ordinance that are necessary for a more adequate compliance to the Shoreland Zoning requirements of the Mandatory Shoreland Zoning Act.

If we are able to revise and improve an ordinance acceptable to the State Planning Office and the Citizens of St. George, we will avoid having an ordinance imposed upon us by the Board of Environmental Protection and Land Use Regulation Commission, thus enabling us to maintain more "Home Rule".

Respectfully submitted,
CATHERYN C. MUDGETT
Chairperson

EASTERN MID-COAST REGIONAL PLANNING COMMISSION

The Eastern Mid-Coast Regional Planning Commission is a voluntary association of towns, cities and counties serving 32 communities in Knox and Waldo Counties. Each member may appoint two voting representatives to the Commission. A nine member Executive Committee, elected from these representatives, meets approximately monthly to direct the activities of the Commission.

The paid staff of the Commission includes a Planning Director, Planner, and Secretary/Administrative Assistant. Commission offices are located at 10 Summer Street, Rockport, and are open from 8:00 A.M. to 4:00 P.M. (Tel. 236-8408). The annual budget for 1978-79 was \$48,941, about 25% from local sources.

During 1979, the Commission completed a two-year contract with the Department of Environmental Protection under the "208" Areawide Water Quality Management Program. This program will study solid waste, septage, lake management and water quality problems in 1980. The EMCRPC has assisted Friendship, Cushing, Thomaston, Warren, Rockport and Vinalhaven under the Coastal Zone Management Local Contract Program. Activities have included a solid waste management study, harbor planning assistance, a natural resources inventory, and comprehensive planning assistance.

The Commission will be preparing a Transit Development Plan for public transportation during 1980, and is cooperating with the Southern Mid Coast RPC to prepare Annual Operations Plans for publicly assisted transportation in Knox and Waldo Counties. The Commission has a 17 member Transportation Committee.

Local assistance requested by the towns has included preparation of ordinances and maps and review of subdivision proposals. Monthly newsletters are sent to area towns and occasional meetings are held on topics of interest to the public.

The Commission cooperates closely with the Eastern Maine Development District on matters affecting economic development and is a sponsor of the Time and Tide Resource Conservation and Development District.

The Executive Committee includes the following:

Chairman, Walter S. Foster, Friendship
Secretary, Jeffrey Evangelos, Warren
Treasurer, R. Paul Weston, Rockport
James Aldus, Searsmont
F. Edward Dodge, Owl's Head
Estella Draper, Cushing
William B. Kenwick, Waldo County
Alden R. Taylor, Jr., Northport

AUDITOR'S REPORT

We have examined the financial statements in accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, of the Town of St. George for the year ended December 31, 1978, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in our financial report.

In our opinion, the aforementioned statements for the year ended December 31, 1978, present fairly the information contained therein, in conformity with the provisions of Title 30, Revised Statutes, Section 5253, applied on a basis consistent with that of the preceding year.

GEORGE J. RAINVILLE
State Auditor

OPERATIONAL RESULTS

The departmental operations for the year showed that a net unexpended departmental balance of \$18,758.84 was lapsed to surplus, per the following summary:

Departmental Accounts:	
Unexpended Balances	\$24,507.63
Overdrafts	5,748.79
	<u>\$18,758.84</u>

The overlay and unexpended balances in the contingent, winter maintenance, town poor, summer program and interest on investments accounts less overdrafts in the town landings and floats and interest-general accounts were the major factors contributing to the net departmental balance lapsed to surplus. The records did not indicate that authority had been granted allowing overdrafts in the appropriation accounts.

The following comments *****
pertain to the accompanying financial statements:

ASSETS The general fund cash accounts at December 31, 1978 amounted to \$42,696.26. The bank balances used in reconciling the cash balance were confirmed by the depository. The change fund was counted.

Federal revenue sharing investments of \$13,464.11 were on deposit in the Depositors Trust Company, Rockland, Maine.

Taxes receivable totaled \$66,234.33 at the year end. Of this amount \$60,890.38 was for current year accounts and the remaining balance of \$5,343.95 was for delinquent accounts dating from 1969. Tax liens and tax acquired property amounted to \$14,461.17 and \$1,155.37 respectively.

It is recommended that appropriate action be taken to liquidate the delinquent tax accounts.

Deferred charges of \$7,562.66 were carried pending appropriate voter action necessary to cover the overdrafts.

LIABILITIES, RESERVES AND SURPLUS General fund liabilities of \$749.31 consisted principally of payroll deductions due governmental agencies.

Unexpended departmental balances totaling \$15,864.27 were carried forward to the ensuing year in accordance with legal requirements and/or customary practice. It is suggested that the voters stipulate annually the operating account balances, except those which are required by law to be carried, that are to be forwarded to the ensuing year.

Unappropriated federal revenue sharing funds of \$19,332.87 were available at January 1, 1978. Entitlement payments for the year amounted to \$16,636.00. Interest earnings of \$495.24 were credited to the fund. Appropriated federal revenue sharing funds of \$23,000.00 were transferred to the town's operating accounts and expended for financial administration, public safety, environmental protection, public transportation, recreation and social services purposes. Unappropriated funds amounted to \$13,464.11 at December 31, 1978.

Unappropriated antirecession fiscal assistance funds of \$6,369.73 were available at January 1, 1978. Allotments for the year amounted to \$2,541.00. Interest earnings of \$231.61 were credited to the fund. Appropriated antirecession fiscal assistance funds of \$16,500.00 were transferred to the town's operating accounts for financial administration, public safety and public transportation purposes.

An overappropriated fund balance totaling \$7,357.66 at December 31, 1978 was carried as a deferred charge pending voter action to fund the balance.

The unappropriated surplus amounted to \$106,466.71, an increase of \$1,814.16 for the year. This change was occasioned principally by the net unexpended departmental balances lapsed and unallocated excise tax revenue, less a voter authorized transfer to reduce the tax levy.

TRUST, SPECIAL AND RESERVE FUNDS Trust fund principals totaled \$26,777.08 and unexpended income was \$3,478.23 at year end and were represented principally by securities and bank deposits. The Collins Memorial Park fund of \$1,378.53, the St. George Building Fund of \$22,435.17 and the Fire Equipment Reserve Fund were represented by time deposits in the Depositors Trust Company, Rockland, Maine.

GENERAL

The use of excise tax revenue and the transfer from surplus to reduce the tax levy were voter authorized.

Transfers from federal revenue sharing and antirecession fiscal assistance funds of \$23,000.00 and \$16,500.00 respectively, were also authorized by the voters for various operating accounts.

REPORT OF THE PORT CLYDE WATER DISTRICT

By act of the Maine Legislature (Legislative Document No. 696) and approved by the voters in Town Meeting March 11, 1963, the Port Clyde Water District was established.

The district is a non-profit public utility receiving all of its financial support from revenue derived from its water services.

During 1979 the District averaged 100 customers of which 45 were seasonal. Revenue collected totaled \$8,575.31. Our reserves as of December 31, 1979, totaled \$428.89. This total is down \$3,500. The extreme cold of the past winter raised havoc with many of our old main lines. The District replaced 1,000 feet of the old iron main with new plastic this past season. The water delivered to the system decreased 25% under the 1978 level due to the replacement of these leaking mains.

The delinquent accounts are still a major problem. In the coming year, Chapter 38 of P.U.C. Rules and Regulations for disconnection will be used for these accounts. A copy of these Rules and Regulations can be reviewed by a customer if so desired.

NOTICE

Notice is hereby given of the Annual Meeting of the Port Clyde Water District to be held at 1:00 PM on March 10, 1980, in the Collins Room, Port Clyde Baptist Church. Election of Trustees and review of operating results will be held.

KNO-WAL-LIN COMMUNITY HEALTH SERVICES, INC.

In behalf of Kno-Wal-Lin Community Health Services, Inc., I am making a request to the town of St. George for the sum of \$798 to help support the continued operation of this agency. The principle function of the agency is the provision of health care to the patient's home.

Through physician referral, the agency provides nursing, physical and occupational therapy and home health aides, utilizing the home setting for giving professional care.

I submit the following:

1. Home health is a more cost effective and personal way to deliver health care than institutionalization
2. Our unit of service is the visit
3. Cost per visit is as follows:
Professional Nurses— \$28
Physical Therapy — \$28

Occupational Therapy — \$28
Home Health Aides — \$18

4. There were 592 visits made to St. George residents by this agency during Nov. 1, 1978 through Oct. 31, 1979 which, at an average rate of 13 visits/patient, would equal 46 residents of your town.

5. Kno-Wal-Lin is the certified home health agency serving.

Our Brochure says that "We're Here to Help" and that's exactly the case. The "we" is Kno-Wal-Lin Community Health Services, Inc., which is an integral and important part of the health care system in Knox, Waldo, and Lincoln Counties. We bring rehabilitative services and medical care into the patient's homes, keeping them out of expensive hospitals.

Consider some of our case load -

Patient P — Elderly woman, late eighties, morose, incontinent, hadn't bathed in a year, body covered with rash and fungus, distorted feet. The woman was ambulatory with a cane. She had cardio-vascular disease bringing on senility. R.N. and Home Health Aide made daily visits in the beginning, bathing the woman, administering sub-lingual medication, providing nutritional counseling, checking vital signs. Patient responded conditions improved, acceptance of status. No Medicare or Medicaid coverage. An uncollectable covered by the agency. Hospitalization unnecessary.

Patient M — A 39 year old quadraplegic (loss of function of all extremities). Husband has Cerebral Palsy, two young children. Utilizing R.N., Home

Health Aide, Physical Therapist and Occupational Therapist. Team prevents deterioration of condition, teaches functions of feeding, sensory stimulation. For two years had been maintained at home and out of a health institution.

Mrs. I — Elderly female with brain tumor. Her husband was able to manage her until she became incontinent. R.N. visited daily in late afternoon and Home Health Aide in the morning for two weeks at which time she lapsed into a coma and quietly died.

Mr. J — Terminally ill with cancer — sent off to acute care hospital, put into a room where he was turned hourly; lonely, despondent, pleaded with his doctor and family to go home and die there. Transferred to his home where R.N. and Home Health Aide visited daily for four weeks after which he peacefully died.

These aren't extreme or unusual cases. This is the daily case load of a Home Health Agency.

Reimbursement for many home visits are covered by the Medicare and Medicaid program, and subscribers to Blue Cross/Blue Shield are also entitled to these services. However, many people in the three-county area served by this agency are not eligible for Medicare and Medicaid and cannot afford private health insurance. What becomes of them? Well, they are also entitled to receive the services of Kno-Wal-Lin because our Charter states that no one is ever refused treatment because of inability to pay.

Oviously, there has to be some mechanism to account for these uncollectibles, which are mounting yearly, or the agency would dissolve into bankruptcy and many of the citizens in your town now served by this agency would be without these services and perhaps would be placed in a hospital or nursing home away from their families. Perhaps they would remain unattended and their condition would deteriorate.

We desperately need town funding to ensure that the health services offered by this agency are available to everyone who needs them in the three-county service area.

Sincerely,
MARTIN NEEDHAM
Administrative Director

REPORT OF THE TIME & TIDE RESOURCE CONSERVATION & DEVELOPMENT AREA

Time and Tide is a people program. It is sponsored and directed by the local people. It is a base for people to come together to plan and -- more important -- develop and carry out projects focusing on natural resources.

The Program of Action has been supplemented and brought up to date. Supplement No. 4 gives an overview of the Time & Tide RC&D activities. Copies are available at the Time & Tide office, Route 1, Waldoboro.

Through the efforts of people working together the following measures were completed this year: Woolwich recreation facility, Wiscasset Middle School water control and recreation, Owls Head tennis court, South Thomaston tennis courts, Boothbay boat ramp, Camden parking lot, Bremen recreation area, Harpswell Cemetery erosion control. There are also many measures that are in progress, such as: Lincolnville recreation, Rockland recreation, Rockport tennis, Boothbay Harbor community field, Bath recreation, Waldoboro public landing, Thomaston recreation and Warren tennis courts.

Some of the activities of the committees included development by the Energy Resource Committee of a firewood consumers guide. They have also developed an energy conservation project for mobile homes. The Forest Resource Committee has been active, holding many workshops and adult education programs at different schools. The Information Committee continues to publish a monthly newsletter sent to 1100 persons in the Time & Tide Area. The Ocean Resource Committee worked on promoting inexpensive fish ladders as well as providing information for fishermen. The Recreation & Tourism Committee held well attended snowmobile coordination meetings. The Soils & Land Use Committee held workshops on waste-water disposal. The spinoff of the Agriculture Resource Committee is the Mid-Coast Agricultural Resource Center (MARC), which helped to re-establish the Prison Farm in Warren.

Anyone who wishes may become part of the Time & Tide RC&D. If you're interested and want to know more, or think we can help, contact your town officials or the Time & Tide office, Route 1, Waldoboro, ME 04572 or phone 832-5348.

Sincerely,
WALTER S. FOSTER

MID-COAST HUMAN RESOURCE COUNCIL Summary of Services

HOUSING REHABILITATION

This program assists low income people in obtaining FHA low interest loans or grants which they can utilize to repair homes, install wells and septic systems, repair chimneys and perform other rehabilitation work.

Loans and grants totaling \$14,240 have been awarded to St. George residents since October 1978.

W.I.C.

Women, Infants and Children is a supplemental food program for women, infants and children using a voucher system for purchasing nutritional food at local grocery stores. These families are given education in food buying, food storage and food preparation.

This program has provided 62 office visits and issued food vouchers worth \$1490 to St. George residents within the last year.

HEAD START

This federally-funded program provides pre-school education for 60 children in Knox County. In addition, two meals per school day are provided, as well as medical and dental care and social services for the child and family.

WINTERIZATION

This energy conservation plan insulates and weatherizes homes for low income families. Both labor and materials are furnished under grants, providing weather tight homes to keep residents warmer and more comfortable as well as conserving fuel.

During the past year 4 homes in St. George were winterized, providing residents with \$1251 in materials and \$689 in labor at no cost.

MAINTENANCE

This work crew is available to towns and non profit agencies for repairs, repainting and maintaining buildings, roads, cemeteries, etc., which towns or agencies cannot afford to have done otherwise. Work is done by request with the town or agency providing materials and Mid-Coast Human Resource Council providing the labor.

YOUNG WOMENS EMPLOYMENT PROJECT

This Project, funded under a special grant from the State CETA office, provided employment experience for young women in jobs that have been traditionally male oriented.

SAFE CHIMNEYS PROJECT

This is a Research Project aimed at determining the impact of a chimney cleaning program on the rate of chimney fire incidence in the homes of low income people who burn wood.

To date the project has cleaned the chimneys of 5 St. George families.

WINTER EMERGENCY ASSISTANCE PROGRAM

W.E.A.P. provides funds to low income families to assist them in dealing with increased heating costs.

42 St. George families were served through this program over the last year, providing \$7735 in assistance.

HANDYMAN PROJECT

This Project employs an individual with general maintenance and carpentry skills to assist low income and elderly people in small maintenance and repair jobs that they could not otherwise perform themselves.

FOOD STAMPS

Mid-Coast Human Resource Council is one of the primary food stamps offices in Knox County and issued food stamps with a retail value of over \$1,064,926 during the past year.

OUTREACH

Outreach offers direct service to low income persons through information about and referrals to other Social Service programs, emergency assistance, youth recreation programs and assistance to Policy Advisory Councils. The predominant theme of this program is to help people help themselves.

THRIFT SHOP

This shop is operated by an employee of Mid-Coast Human Resource Council and is open five days a week to provide good used clothing and other articles at low cost.

This past year over 1500 Knox County residents have made use of this service.

COMMUNITY ALCOHOL SERVICES

I respectfully request that the residents of the Town of St. George consider making a contribution to Community Alcohol Services for program continuation in the amount of \$.20 per capita for 1980.

As you are aware, through previous years of support, CAS provides outpatient counseling services to families who are having problems with alcohol abuse and alcoholism in the mid-coast area. SKYWARD, the new federally funded women's project, under CAS administration, also offers child care services and outpatient treatment services specifically tailored to the special needs of women in rural areas. In addition, CAS staff teaches the Driver Education and Evaluation Program for those convicted of operating under the influence. Currently we are also offering youth counseling services for children in trouble with the law, 85% of whom are from families with alcohol abuse problems or who are having trouble with substance abuse themselves.

Our units of service are measured in hours. During the past twelve months, residents of the town of St. George have received the following services:

Crisis Intervention	10.5	Family counseling	2.0
Initial interview/assess.	46.3	Follow-up/aftercare	13.5
Individual counseling	57.9	Case consultation	6.7
Group counseling	71.5	Assistant services	9.0
Education sessions	158.5	Total:	375.9

During the last 12 months of service provision the average unit cost was \$22 an hour. Residents from the Town of St. George received approximately \$8,269.80 worth of services. Twenty-two families received these services during the past 12 months.

CAS is licensed by the Bureau of Human Services to provide outpatient services for substance abusers in the mid-coast area: CAS, 50 Court Street, Belfast, License No. CA 7901; SKYWARD, 5 Beech Street, Rockland, License No. CA 7902; CAS, 385 Main Street, Rockland, License No. CA 7903. Twenty-four hour staff coverage is available by calling SKYWARD (women) 594-9508 or CAS Rockland 594-2176 or CAS Belfast 338-1629 twenty-four hours a day. To our knowledge, there is no other substance abuse program in our area licensed to provide outpatient services.

I will be happy to appear before your budget committee to provide any other information you may need to make a positive decision concerning this request. Please feel free to let your residents know of our services. Thank you for your consideration.

Sincerely,
JUDITH PINKHAM
Director

MID-COAST MENTAL HEALTH

THE 4 QUESTIONS MOST FREQUENTLY ASKED OF THE MID-COAST MENTAL HEALTH CENTER

Q. What do you do?

A. We treat mental illness. We help people to cope. We reduce or eliminate feelings of depression and anxiety. We assist in solving problems of marriage, of raising children, of keeping a job.

(In the Mid-Coast area, we are the only agency primarily staffed by individuals whose training and experience qualify them as Professionals in the field of mental illness and emotional problems.)

Q. Why does it cost so much to offer your services?

A. The largest element of our budget is salaries — 85%. Our clinical staff have trained for lengthy periods of time — some of them more than 10 years beyond college. They have had, in addition, up to 14 additional years of experience in their profession. Their salaries are barely within the customary market-place range for such a background.

(To attempt this kind of work with lower standards would be inexcusable. The cost for such quality services range from \$6.00 to \$50.00 per hour, depending on the nature of service and the type of professional involved.)

Q. Don't you get Federal and State monies to pay for your services?

A. Federal and State grants currently constitute 70% of our budget (45% Federal, 25% State).

These funding sources require that:

1. We also obtain financial support from local communities. A very small allocation from a local town assures considerable funds from State and Federal sources to help cover our cost.

2. We continue to operate at our present level — in other words we cannot eliminate staff or programs and still receive these funds.

(Last year all local towns combined allocated \$8,864.25, or 1% of our total income. Small as this amount is, it is vital to us).

Q. What are you doing for the people in our town?

A. During the last fiscal year we saw 23 new cases from St. George. As of October 1, 1979 we had 25 open cases from your town actively involved with our professional staff. A typical case will average seven appointments. (Few of these individuals can afford to pay the full cost of our services, and while State and Federal sources pay a good portion, there is still a deficit which your allocation helps to reduce.)

NOTICE TO TAXPAYERS

Before making an assessment, the assessors shall give reasonable notice in writing to all persons liable to taxation in the municipality to furnish to the assessors true and perfect lists of all their estates, not by law exempt from taxation, of which they are possessed on the First day of April of the same year.

The notice to residents may be given by posting notification in some public place in the municipality or in such other way as the municipality directs.

The notice to non-resident owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such lists, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

The assessors or any of them may require the persons furnishing the list to make oath to its truth, which oath any of them may administer, and any of them may require him to answer in writing all proper inquiries as to the nature, situation and value of his property liable to be taxed in the state, and a refusal or neglect to answer such inquiries and subscribe the same, bars an appeal to the county commissioners, but such lists and answers shall not be conclusive upon the assessors.....

Chapter 91A, Sec. 34, R.S. 1954

NO PARKING ORDINANCES FOR PORT CLYDE

There will be no parking on the pavement on either side of the road from the Advent Christian Church to the Intersection of the Factory Road.

There will be no parking on the pavement on the Easterly side of the road from the boundary line of Enid Monaghan and Ronald Simmons to the Factory Road, excepting an 83' loading zone in front of Ocean House Hotel.

There will be no parking in front of Port Clyde General Store except for loading, parking only with traffic.

Violators will be fined the amount of \$1.00 for each offense.

These ordinances are enacted as requested by residents of Port Clyde during the summer of 1975.

DUMP ORDINANCE

1. No person shall deposit any refuse or waste except at the far end of the dump or at a place designated by the custodian.
2. No person shall light any fire within the dump area.
3. No person shall deposit any refuse or waste beside or on the road or turn-around.
4. No person shall deposit any waste paper except paper securely tied in bundles or placed in plastic containers.
5. No person shall deposit any refrigerators or freezers except those with the doors removed.
6. No person shall deposit any trees, stumps or telephone poles.
7. No person shall deposit commercial shellfish unless such shellfish shall be buried at least one foot below the surface of the ground.
8. No person operating a vehicle to and from the dump area shall permit any waste or refuse to leave such vehicle so far as to litter any way or property.
9. The dump custodian shall be selected by the Selectmen and in consideration for his maintaining the dump and enforcing all laws with respect to the dump, he shall have exclusive rights to reclaim any item deposited in the dump.
- 10 The Selectmen are authorized to determine the hours of operation of the dump and post such hours. No person shall deposit any waste or refuse in the dump at any time other than within the period of operation as determined by the Selectmen.
- 11 Any person found in violation of any provision of this ordinance shall be fined at least \$10.00 and no more than \$100.00.
The dump will be open from 7 a.m. to 4 p.m. Wednesday, Saturday and Sunday from November through March and from 8 a.m. to 5 p.m. Wednesday, Saturday and Sunday from April through October.

NOTICE TO VETERANS

Veterans or widows of veterans, who may be eligible for property tax exemption, under our Maine Laws, should be familiar with the requirement, whereby, application for tax exemption must be made to the Assessors before April First of the year in which exemption is expected to begin.

Applicant must be 62 years of age before April First of the year of application and a resident of the State of Maine for Ten years or a resident of the State of Maine at the time of induction.

The following is taken from Chapter 91A, Public Laws of 1955, Section 10, Sub-section 111G:

“Any person who desires to secure exemption under the provisions of this sub-section shall make written application and file written proof or entitlement on or before the First day of April in the year in which exemption is first requested with the assessors of the place in which the person resides; and the assessors shall thereafter grant such exemption to any person while he is so qualified or until they are notified of desire or reason for discontinuance.”

FEES; TAGS; GUIDE DOGS; DUTIES OF ANIMAL HUSBANDRY SPECIALIST

Section 3451. Each owner or keeper of a dog at the age of 6 months or over, except dogs kept under a kennel license as provided in this section, shall, on or before January 1st, annually, or at such time as such dog becomes 6 months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept. Such license shall state the breed, sex, color and markings of such dogs and the name and address of the owner or keeper.

No city or town clerk shall issue a license for any dog until the applicant has filed with such clerk proof that such dog has been immunized against rabies in accordance with rules and regulations promulgated by the Commissioner of Human Services, provided that the requirement of immunization may be waived by such clerk under conditions set forth by the Commissioner of Human Services.

A fee of \$5.50 shall be paid the city or town clerk for each license issued on all dogs 6 months old or older capable of producing young. All dogs shall be considered capable of producing young unless a certificate issued by any licensed veterinarian stating that the dog, if female, was made incapable of producing young by spaying by him or, if male, was made incapable of producing young by sterilization by him, or upon examination by him is certified to be incapable of producing young or by previous registration, the owner has declared that the dog is capable of producing young. When that certificate accompanies the application, a fee of \$2.00 shall be paid for each license. In addition to the amount paid for a license and tag, each applicant shall pay the city or town clerk \$1 for recording and making a return to the Commissioner of Agriculture, except that a license and tag shall be issued by the City or town clerk, upon application, for any trained guide dog owned or kept by a blind person or for any trained hearing dog kept by a deaf person without payment of any fee required under this section. When any such dog has not been previously registered or licensed by the town or city clerk to whom such application is being made, such town or city clerk shall not register such dog nor issue to the owner or keeper a license and tag therefor unless written evidence shall be exhibited to him that the dog is trained and educated and intended in fact to perform such guide service for such applicant.

Such licenses shall be made in triplicate, the original copy shall be mailed to the commissioner, one copy given to the person applying for the license and one copy retained by the city or town clerk.

A suitable tag showing the year such license is issued and bearing such other data as the commissioner may prescribe shall be given with each license and must be securely attached to a leather or metal collar which must be worn at all times by the dog for which the license was issued, and it shall be unlawful for any person to remove such tag or to place

either collar or tag on any dog not described or for which the license was not issued.

Any person becoming the owner or keeper of a dog after the first day of January, not duly licensed as required, shall, within 10 days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed as provided.

The clerk of any municipality in which a kennel is located shall issue a kennel license, as herein provided, for the owner or operator thereof, provided the dogs are kept within a proper enclosure. Such kennel license shall permit the licensee or authorized agent to transport under control and supervision such kennel dogs within or without the State.

When the number of dogs over 6 months of age so kept does not exceed 10, the fee for the license shall be \$15 and in addition \$1 for each license as a fee for recording and making the return required by law; when the number of dogs over 6 months of age so kept exceeds 10, the fee for the license shall be \$30 and in addition \$1 for each such license as a fee for recording and making the return required by law. Dogs covered by kennel license shall be furnished suitable kennel tags as prescribed by the commissioner or his agent and shall not be required to be individually licensed.

KEEPING UNLICENSED DOG

Section 3701. Whoever keeps a dog contrary to this chapter and chapters 701, 703 and 711 and sections 3603 to 3605 commits a civil violation for which a forfeiture not to exceed \$25 may be adjudged.

MINIMUM LOT SIZE

Shore Property:

The minimum shore frontage shall be 200 feet and the minimum lot depth shall be 250 feet. The minimum lot size shall be 50,000 square feet.

—Shore Line Zoning Ordinance

Inland Property:

The minimum lot size for a one-family dwelling shall be one acre with a minimum frontage of 100 feet on a public or private road.
